VALUES, MISSION AND VISION

Values are core beliefs or desires which guide or motivate. The Oath and Law state Scouting's values. Vision determines our future success. Baden-Powell's vision became what we in the United States know as the Boy Scouts of America.

The mission is the realization of a vision—the translation of the vision. The mission statement clearly and concisely identifies the task or charge. For example, "The mission of the Boy Scouts of America is to prepare young people to make ethical choices over their lifetimes by instilling in them the values of the Scout Oath and Law."

Your Wood Badge ticket is a commitment; a vision of how you will succeed at a series of goals, guided by your personal values, your vision and your personal mission."

Editor's Notes

The Gilwell Gazette is looking for you to contribute.

Each patrol is asked to provide text on a daily basis. Have a your patrol scribe write a short contribution of about 150 words. Don't worry, there is no penalty for not reaching 150, but be careful going over—we only have so much room!

Follow the instructions given at PLC for place and time for leaving your patrol submission. Thanks!

Scoutmaster's Minute

Wood Badge is... Exchange Experiences!

Good morning and congratulations on accomplishing all of the rigors of day one.

Lord Baden-Powell said "One of the purposes of Wood Badge training is to get Scouters to think about the practice of Scouting, to meet together, to exchange experiences, and to live together in the spirit of the Scout Oath."

Hopefully you have had the opportunity to become a bit familiar with the members of your patrol. Perhaps you have learned more about your Troop Guide. Take the time in everything you do this weekend to share in each of your wonderful and diverse scouting experiences. And, please do not lose the guidance of the Scout Oath in all that you do.

Peter Klein

We started Venture Crew 282 off of Troop 282 in January 2007 where I am currently the Committee Chair. Troop Guide

Fox

Clever like a ... fox! The Fox Patrol is off to a great start. Lary, Jesus, and the four Daves have melded into an awesome scouting machine. We are soaking up information like sponges, and are planning a worthwhile project. Our troop guide, Cindy Wells, has helped to lay the foundation for two great weekends. Believe it or not there is even something more unusual about our patrol than the fact that four of us have the same name. But as you know, a good writer (which I'm not, but what the heck), always leaves them hanging. So, you'll just have to wait until tomorrow to find our dirty little secret.

Owls

The owl patrol shares words of Wisdom:

1. Lots of Info.
 2. Lots of thinking about Vision, Ticket/Mission. What's next?
 3. Thank God for coffee! (Red Bulls would be nice).
 4. Thanks for the great leadership of the staff and dedicators.
 5. Check In was very organized and a pleasure.
 6. All in all it is a pleasure to be here and we feel welcome, comfortable, warm and fuzzy. Hoo, Hoo.
- Thanks from the Owls!

Bobwhite

What about Bob?

You are probably asking what is a Bobwhite? We asked the same question ourselves. We have determined a bobwhite is a lover. Family is important to him or her. A bobwhite does not have a funny question mark on the top of his head like the stuffed animal we were given. The feathers at the top are more of a buzzy cut. We are pretty sure the Bobwhite can fly. WE as a patrol are going to SOAR to our new responsibilities.

Beaver

A Slice of Pie for Pete"

A key part of success with any new endeavor involves understanding those around us and what they appreciate. We've been told that Pete Klein is a big fan of pies. There are many terms to describe our sucking up but we'll go with, "Aggressive Participation". In our "Participative" spirit we'd like to talk about sweet delicacies. The Beavers are currently lovers of fine pastry. Below are our favorites.

Steve: Pecan- "Sweet and crunchy, helps sharpen the teeth".

Dan: Apple- "It's All American. I feel like I have to eat it".

Cindy: Blueberry- "True blue, like friendship".

Dennis: Rhubarb- "Pucker up!".

Dean: Pumpkin- "Because it is tradition".

So Pete, which shall it be"? Don't forget your \$4.00

Antelope

The Antelope patrol finds its legs.

The '07 Antelope patrol has found that it has a very strong CORE to draw from. Several very experienced leaders who not only can offer advice but who readily accept it as well. With a all six proudly wearing their new neckerchief and expertly made woggle, a strong antelope cheer was created. Be prepared to follow the Antelope patrol!
